

SHUTTLE BUS - TIMETABLE

Timetable changes are reserved. Arrival times are estimated and depend on the completion of all possible intermediate stops. The time indicated in the timetable is the arrival time of the bus at the stop.

Individual connections will only be dispatched if they are at least 50 % full. In case of a lower number of interested parties, we will inform you individually about alternative transport options in time. If the connection does not take place, the fare paid will be refunded in full.
